I have been appointed to the board of the Texas Public Finance Authority by Governor Perry.

For the past eleven years, I have been president of Collins Financial Services, Inc. of Austin. We are in the accounts receivable management business. During that time, I served for two years as president of our national trade association, DBA International.

I'm pretty sure I joined the Lyceum in 1983, and was the founding editor of the Journal of the Texas Lyceum Association. I really did enjoy my years in the Lyceum, and the opportunity to meet the future leaders of Texas...and we sure did a good job of picking them.
